

Total Number of Applications Per Year

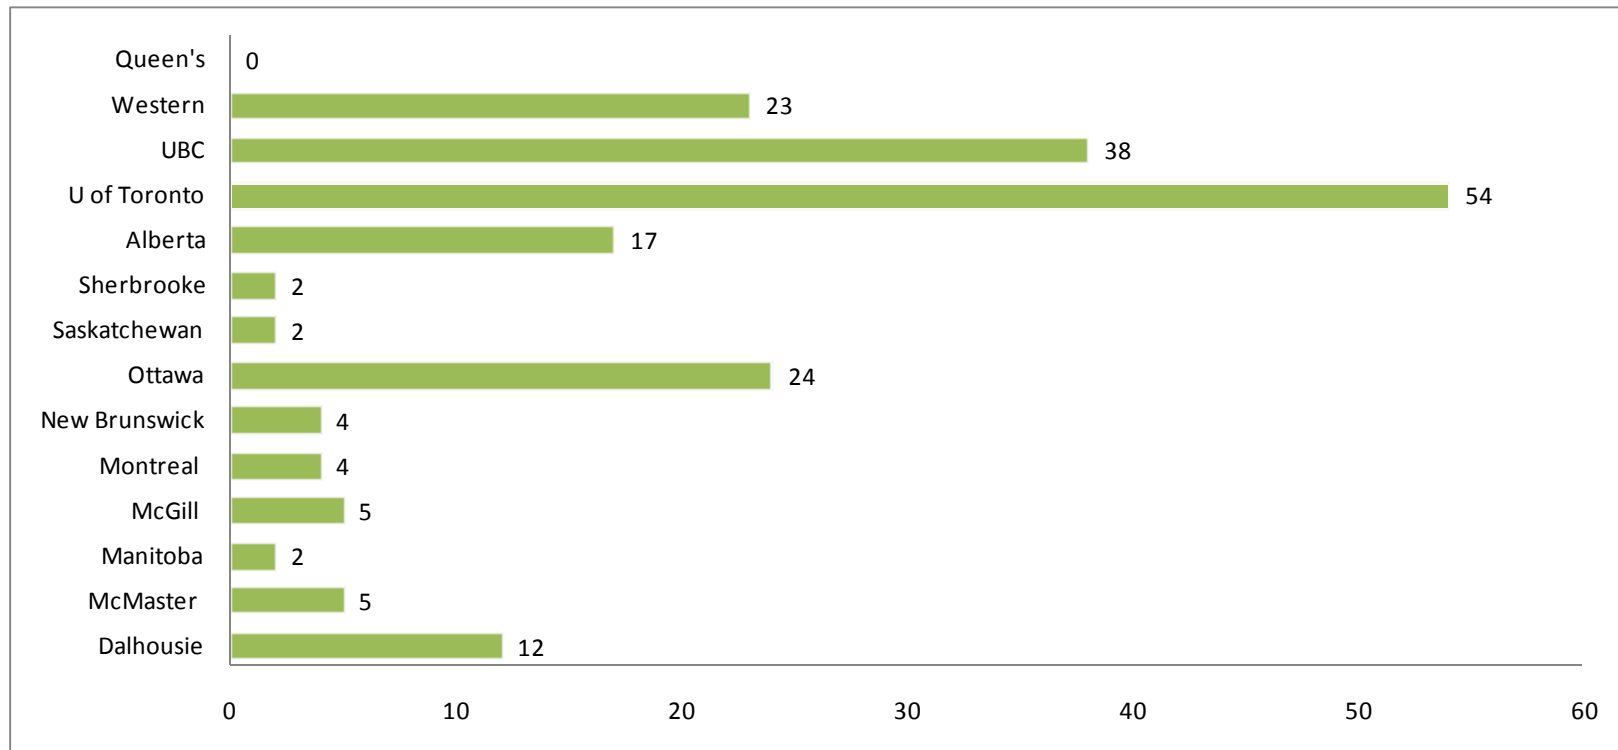

Number of Applications Per University *(As of May 2010)*

Please note: The first applications from Sherbrooke University are expected in the fall of 2010

Where Students Have Been Placed (By University Catchment Area)

Notes

- The majority of students request the Greater Toronto Area, followed closely by British Columbia and Southern Ontario. Over the course of 2009-2010 we have seen more students requesting Ottawa and surrounding areas as well as the East Coast.

Student Applications & Placement Success per month
